Oklahoma

Opened this summer, [Buffalo Point Retreat](#) debuted in Waukomis, Oklahoma, as a premier boutique event destination in the Sooner State. The property, which served as a private estate since 2011, is accessible to the public for the first time and is designed for buyouts and private functions.

Guests have exclusive access to all of the property's facilities, including The Barn, a custom-designed pool, vineyard, greenhouse and gardens, chicken coop and seven lodging rooms. Each room is named in honor of people, events and culture that are local to Waukomis.

Buffalo Point Retreat

The interior, designed by Austin, Texas-based designer Betty Shaw of B Shaw Design, is described as “rustic elegance” that is authentic to Oklahoma in look and feel, with a palette of earthy browns and beiges and natural elements like wood and stone.

Buffalo Point is ideal for corporate retreats and other private retreats and gatherings, with the 3,600-square-foot The Barn serving as the primary venue for up to 80 attendees. Planners can also utilize the outdoor Courtyard in the center of the property, with a fire pit, grill, gazebo and custom stone fountain.
